

## **ADDENDUM TO FINAL STATEMENT OF REASONS**

**Hearing Date:** No hearing was scheduled nor was one requested.

**Subject Matter of Proposed Regulations:** Examination Subversion

**Section(s) Affected:** Sections 442 of Title 16, Division 5, and 3035 of Title 16, Division 29 of the California Code of Regulations (CCR).

**Updated Information:** The Initial Statement of Reasons is included in the file.

The language originally noticed during the 45-day comment period for 16 CCR Section 442 included text that was not underlined to indicate that it was being added. This same text was inadvertently left out of the proposed text for 16 CCR Section 3035.

Section 442 (b)(5) is being amended and modified to read:  
*The examination results may be voided and the application and examination fee forfeited.*

Section 3035(b)(5) is being amended and modified to read:  
*The examination results may be voided and the application and examination fee forfeited.*

These changes do not have a significant economic or fiscal impact. An applicant has to pay both an examination fee and an application fee to take an examination administered by the Board. The examination fee was mistakenly not underlined in the originally noticed language.

### **Summary of Comments Received During the 15-Day Comment Period:**

The Board did not receive any comments during the 15-day comment period, which ran from August 2, 2013 through August 19, 2013.

### **Clarity Statement:**

These regulations repeat or rephrase, in part or in whole, statutory language. This is being done for the sake of clarity.
